

BECOME AN IWIPP PARTNER

Free Webinar Series: August 23, 25, 27, 2021

In Person Event: Aalborg, DK | August 24-26, 2022

IWIPP 2022 is an opportunity to connect with the world's top power, device, integration, and system researchers. Both the webinar series in August 2021 and the in-person Event in August 2022 are focused on promoting rapid advancement and commercialization of power components, packaging technologies, dielectric materials, and system integration. IWIPP attendees are the perfect target market for unveiling your company's latest technological advances in these areas. Partnership opportunities are available to attract the notice of IWIPP attendees at both the virtual and in-person events. Learn more at www.iwipp.org
