

BECOME AN IWIPP PARTNER

Hybrid Event: Aalborg, DK | August 24-26, 2022

IWIPP 2022 is an opportunity to connect with the world's top power, device, integration, and system researchers. IWIPP is focused on promoting rapid advancement and commercialization of power components, packaging technologies, dielectric materials, and system integration. IWIPP attendees are the perfect target market for unveiling your company's latest technological advances in these areas. Partnership opportunities are available to attract the notice of IWIPP attendees through both in-person and virtual channels. Learn more at www.iwipp.org
