

BECOME AN IWIPP PARTNER

Aalborg, DK | April 28-30, 2021

IWIPP 2021 is an opportunity to connect with the world's top power, packaging, and system researchers. Since the conference is focused on promoting rapid advancement and commercialization of power components, packaging technologies, dielectric materials, and system integration, its attendees are the target market for unveiling your company's latest technological advances. Tabletop exhibition and partnership opportunities are both available to attract a broad range of different vendors to the conference. The exhibition space will host the food & beverage events throughout the workshop, therefore networking and visibility is guaranteed.
